Indicators Used

INDICATOR	DESCRIPTION AND HOW IT WAS CALCULATED
Graduation rate	Graduation rate is the percentage of WSB's first-year undergraduate (Bachelor) and graduate (Master) students who complete their program within the full cycle of their study period. For Bachelor's degree students it is a three-year period, for Master's degree students it is a two-year period. The rate was calculated as follows: number of students graduating by October 31, 2019 divided by the number of students enrolled in the first year of their studies at December 1. For Bachelor's degree programs the period covers 2016/17-2018/19 (three year cycle); for Master's degree programs the period covers 2017/18-2018/19 (two-year cycle)
