Calculations for Measures

MEASURE	DESCRIPTION AND HOW IT WAS CALCULATED
GRADUATION RATE	<p>Graduation rate is the percentage of the University's first-year undergraduate (Bachelor) and graduate (Master) students who complete their program within the full cycle of their study period. For Bachelor's degree students it is a three-year period, for Master's degree students it is a two-year period. The rate was calculated as follows: the number of students graduating by September 30, 2025, divided by the number of students enrolled in the first year of their studies on December 1, 2022 (Bachelor's Programs) and December 1, 2023 (Master's Programs).</p> <p>The period covers a three-year cycle for Bachelor's degree programs and a two-year cycle for Master's degree programs.</p>
