WSB MERITO UNIVERSITY WARSAW

Economics of Sustainable Development

MASTER'S DEGREE - SPECIALITY

Form: Full-time

Study form: Hybrid • Traditional (on-site)

Features: Master's degree • From October • English • 4 semesters

City: Warszawa

What will you learn?

- You will learn the principles of **sustainable development** and how to apply them in the economy to support both the environment and society.
- You will find out how to analyse the impact of economic activities on **ecosystems** and shape policies that minimise negative effects.
- You will learn to manage **natural resources** with a focus on their protection and optimal use.
- You will gain knowledge about financing projects related to **responsible development** and ecological investments.
- You will master the ability to **communicate the idea** of sustainable development in business, supporting its implementation.
- You will be ready to develop strategies aligned with **sustainable development** goals, balancing environmental and economic needs.

Work opportunities

- You become a **sustainable development expert**, advising companies on achieving their environmental goals.
- You work in **international institutions**, managing projects that support environmental protection and responsible development.
- You are employed in corporate **CSR departments**, implementing social responsibility strategies and ecological initiatives.
- You work as a **environmental analysis specialist**, examining trends and supporting strategic business decisions.
- You run your own **sustainability-oriented business**, building competitive advantages on the market.
- You support public administration as an **environmental policy advisor**, helping to shape regulations that protect the environment.

Study program

Internships and practical training

Internships are an important part of the study program. Master's students complete **480 hours of internships throughout their studies**, gaining valuable work experience. If you are employed in a profession relevant to your field of study, you may have your internship credited based on your employment. During your studies, you also have the opportunity for a paid internship. Internship programs are prepared by our partner employers, adapting requirements to specific positions, which makes starting your professional career easier.

Study completion requirements

Master's degree studies conclude with the **preparation and defense of a master's thesis**. During the course of study, passing individual subjects is based on projects, presentations, written or oral exams. The entire program is practical and focused on developing professional competencies.
