

Managerial Economics

MASTER'S DEGREE - SPECIALITY

Form: Full-time

Study form: Hybrid • Traditional (on-site)

Features: Master's degree • From October • English • 4 semesters

City: Warszawa

What will you learn?

- You make **strategic decisions** in the enterprise, taking into account their long-term consequences for the organisation.
- You anticipate the effects of **economic decisions** by analysing their impact on different aspects of the company's operations.
- You maximise the **effectiveness of decisions taken** thanks to knowledge of modern analytical tools.
- Analizujesz **dane ekonomiczne** z perspektywy menedżera, co umożliwi podejmowanie lepszych decyzji operacyjnych.
- Rozumiesz zarządzanie **finansami przedsiębiorstwa** oraz ich wpływ na funkcjonowanie organizacji i pracę menedżerów.
- Wykorzystujesz **specjalistyczne narzędzia** wspierające proces decyzyjny, poprawiając skuteczność zarządzania.

Work opportunities

- You become a **senior manager**, making key decisions in the company's strategic areas.
- You run your own business as an **entrepreneur**, applying advanced management tools and methods.
- You work as an **economist**, analysing data and advising organisations on economic decisions.
- You work in the **economic department** of governmental or non-governmental institutions, supporting strategic activities.
- You act as a **business strategist**, setting development directions and building competitive advantages for companies.
- You advise organisations as a **business consultant**, supporting them in making operational and financial decisions.

Study program

Foreign language study

Full-time studies:

- 60 hours of foreign language learning (30 hours per semester) – 2 semesters

Form of instruction:

all classes are conducted in-person with a language instructor.

Part-time studies:

- 60 hours of foreign language learning (30 hours per semester) – 2 semesters

Form of instruction:

- 16 hours of in-class sessions with the instructor (during on-campus meetings)
- 14 hours conducted in an e-learning format

Languages available: English, German, Spanish.

Internships and practical training

Internships are an important part of the study program. Master's students complete **480 hours of internships throughout their studies**, gaining valuable work experience. If you are employed in a profession relevant to your field of study, you may have your internship credited based on your employment. During your studies, you also have the opportunity for a paid internship. Internship programs are prepared by our partner employers, adapting requirements to specific positions, which makes starting your professional career easier.

Study completion requirements

Master's degree studies conclude with the **preparation and defense of a master's thesis**. During the course of study, passing individual subjects is based on projects, presentations, written or oral exams. The entire program is practical and focused on developing professional competencies.
