

Tourism and Recreation - International Tourism

- Program - studia I stopnia

full-time IN OCTOBER Bachelor's English

What will you learn by choosing this specialization?

If your way of life is travel, sport and recreation, this is the perfect field of study for you. We will teach you how to combine your passion and interests with a career in a sector that has become a significant industry branch of regional and global importance.

The field of study gives you many possibilities: after graduation, you can work as a leisure time animator, SPA & wellness manager, healthy lifestyle advisor, tour leader, travel agent or tourist information employee.

During the classes, you will learn how to obtain and present tourist information, the secrets of preparing and running selected forms of active tourism, and the backstage of the tourism and recreation industry professions.

We believe that the practical aspects of the profession are best learned from industry specialists. Therefore, during specialty classes, you will meet business practitioners to share their experiences.

During the classes you will learn about such programs as Ekconcept, MerlinX, Amadeus, BlueVendo, KWHotel, S4H, which are professional software for managing mass reservations of airline tickets, hotel accommodation, etc. Tour operators, travel agencies and event agencies work on such programs every day!
