All dates are inclusive.

The semesters are formally defined as follows:
Winter semester: 01.10.2026 - 28.02.2027
Summer semester: 01.03.2027 - 30.09.2027

Detailed class dates are specified in the session timetable.
WSB Merito University in Wroclaw reserves the right to make changes.

Professional internships may be completed throughout the entire academic year (including the July-September period). Their completion must not conflict with classes at the University.

Dates for resit assessments may not be scheduled during holiday or summer breaks. For full-time programmes, they should be scheduled on weekdays; for part-time programmes, at weekends.

Pursuant to § 24 of the Study Regulations, a Student who has been admitted to an assessment but has not obtained a pass under the standard procedure may obtain it on a date set by the person responsible for awarding the pass under the resit procedure, within 3 weeks of the end of classes for the relevant course, or on a date specified in the academic year schedule, unless the study programme provides otherwise.

Dates for resit assessments in the final semester of study should be scheduled so as to enable the assessment to be completed and the grade to be awarded:

- by the deadline for submitting theses to the Dean's Office under the standard procedure - if the study programme requires a thesis;
- by another specified deadline - if the study programme does not require a thesis.
